

## Annisul's grandson on PM's lap -The Asian Age

Dhaka North City Corporation's (DNCC) mayor Annisul Huq posted a picture on Facebook showing Prime Minister Sheikh Hasina holding her grandson.

Rubana Huq has also dismissed the rumors about her husband's death in London on 29th July preceding the birth of his grandson.

Rubana Huq posted the picture on Facebook on Wednesday. She said she had to do so to dispel rumors.

She posted on Facebook, "I am generally shy about posting pictures on Facebook but she had to do so to dispel rumors about Annisul's health. It is extremely unfortunate."

To quote some more lines from Rubana Huq's Facebook profile, "Just to assure everyone that HPM Sheikh Hasina will meet with us in London, I personally met her a few days ago when I was in Dhaka."

Our family continues to be extremely grateful and indebted to her for the extraordinary support she has offered. I hope that all of you will continue praying for my husband Annisul."

DNCC mayor Annisul Huq has been under medical treatment in London since August this year with a disease. He has meanwhile informed that his condition has improved. It may be added that Annisul Huq became a member of FBCCI and BGMEA.
